

ADRIAAN GEUZE TO SPEAK AT THE DEAN'S LECTURE SERIES AT IIT COLLEGE OF ARCHITECTURE

23-03-2015

West 8 Director, Adriaan Geuze's presentation forms part of the Illinois Institute of Technology College of Architecture Spring Series on "Rethinking Metropolis".

'Rethinking Metropolis' is a strategic approach that aims to challenge students and faculty, allowing for the discovery of multidisciplinary crossroads. This crossdisciplinary collaboration is intended to present new possibilities and encourage innovation.

Other participants in the IIT College of Architecture's Spring 2015 Lectures include Winy Maas, Jorge Francisco Liernur, Marcelo Ferraz and Bernard Khoury.

In 2014, West 8's [Miami Beach SoundScape Park](#) was also [nominated](#) for the inaugural Mies Crown Hall Americas Prize, established by the IIT College of Architecture.
