

NATURE RECLAIMED - WEST 8 PARTICIPATES IN MASKS FOR UNITY

22-06-2020

This month, West 8 is participating in "Masks for Unity," an online silent auction organized by the Cultural Landscape Foundation (TCLF).

TCLF will auction off customised cotton masks that feature original designs from more than 40 architects, landscape architects, and other design professionals from the 15th till the 29th of June, 2020. For each mask created for the auction, a mask was made and donated to MASK UP in Charlottesville, Virginia and to essential workers. The auction will benefit TCLF's educational and advocacy initiatives.

West 8's mask, entitled "Nature Reclaimed" is a green statement: what would the world look like if we each needed our own pocket of the forest to breathe through? Read more about the auction, our entry and the full collection of masks by clicking below:
