

ORIGINAL ILLUMINATED LETTERS 'CENTRAAL STATION' BACK ON THE FACADE

13-02-2013

Rotterdam Central Station gets the original illuminated letters 'CENTRAAL STATION' back on the facade. This memorable moment of the re-illuminating of the characters took place on Thursday, **7th of March** at 18:30-19:00. The reinstallation of these letters designed by architect Van Ravesteyn connects the city of Rotterdam's future with his history in a very special way.

A special re-illuminating ceremony was presented by Councillor Mrs. Baljeu, board member Leo Bruijn and former board member Henk Sonneveld, who is one of the great supporters of West 8's idea of reinstalling the original letters besides many other original architectural elements.
