

THE CITY OF UTRECHT EMBRACES DESIGN PARK PERGOLA IN THE LEIDSCHHE RIJN PARK

27-05-2009

The City of Utrecht embraces the design for the new Park pergola in the Leidsche Rijn Park. Construction works of the 3,5 kilometres long and 6 meters high botanical and ecological pergola are expected to start in 2010. Alderman Harrie Bosch of Utrecht stated: "This Park pergola is a welcome addition to Leidsche Rijn. The innovative and unique design adds to the allure the Leidsche Rijn Park already has".
